Dear Parents/Caregivers,

Boulder Primary School is investigating the possibility of updating the school shirts that our students wear. We would like your feedback on providing new shirts, as well as your opinion on the possible options that are available to us. The new shirts will be made from the Quick Dry material, which are more durable and easier to wash and dry than the traditional student shirt.

If there is an appetite from our community to update the shirts, a lengthy transition period will occur. This means that the school shirts that you currently own will continue to be acceptable school uniform. Although we do not have correct pricing at the moment, the shirts will be available for less than \$30.

The options for the new school shirts are on the back of this page. Please fill in the form below, cut it out and return it to your classroom teacher as soon as possible.

We will keep you updated with further developments. We may ask for further clarification if there is no popular option selected.

Kind Regards,

Ash Ferguson
