

How to access CONNECT ONLINE FOR PARENTS AND STUDENTS

Connect Now App

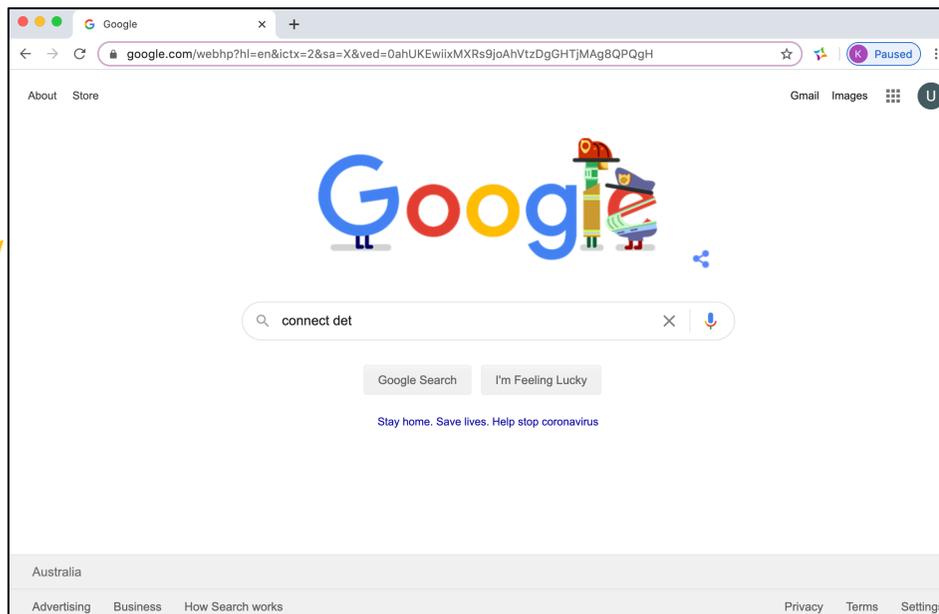

There is a Connect Now app available for download through App Store and Google Play. Through the app you will **only be able to access connect discussions and notification.** You will **not be able to access any work that the teacher sends out.** This is why students and parents should use Connect on a web browser such as Google Chrome or Safari to have full access to everything the teacher's are sending out.

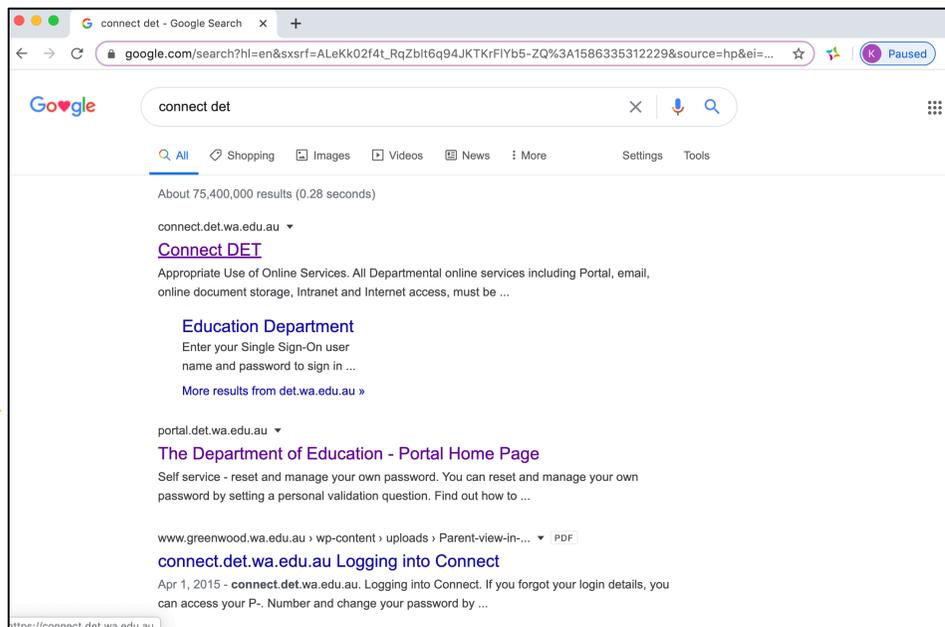

Go to

www.google.com.

Type **connect det** into your google search bar and press enter. That will take you to this page.

Click on the first link called **Connect DET**. That will take you to the next page.

You must click this box after putting in your login details.
