

proud history ... great future

Room 2 Assembly

Dear Families,

We wish to invite you to our Room 2 assembly, which is coming up on Friday the 30th of July. Aligning with the Boulder Primary School values, each assembly week has a focus, ours being Persistence.

As per the new assembly time, it will begin at 2:05pm, with the performance starting shortly after this. Due to this, we would also like to invite you to join your children for a picnic lunch in the cultural garden at 1:05pm. We will then head into the classroom at 1:35pm, the end of lunch, so you can see our work and what we have been up to.

If your child has volunteered to speak at the assembly, I have given them their script for them to practice at home where possible. For the performance, we are asking students to wear their most colourful clothing, which can be worn all day at school.

The students are working hard preparing and practicing for this, and we would love to see you there.

Kind regards,

Sarah Simpson
Room 2 Teacher
