

proud history ... great future

Year Six Information

Dear Parents,

We are writing to update you on a number of areas for your child in Year Six as we move towards the end of the year. Next term will go by very quickly as we have many events occurring throughout.

Transition to Secondary School

Term Four is an important part of the student's transition to High School with a number of meetings with staff from the High School and also the opportunity to visit later in the year. Students who are attending Kalgoorlie Boulder Community High School should have returned the enrolment package to KBCHS by now.

Orientation day for the Year Six students attending KBCHS has not been set but it is hoped to be Monday 13th December. More details regarding this will be sent out closer to the date.

Photo

As part of the graduation ceremony, we are putting together a PowerPoint presentation of baby or toddler photos of each Year 6 student. Please send a copy of your child's photo to Mr. Ferguson via email before **Friday 26th of November**. Mr. Ferguson's email address is ashley.ferguson@education.wa.edu.au. Please note that any photos not received before this date will not be included in the PowerPoint.

Graduation

Graduation for the students is on **Friday 10th December**. The normal process is that a formal Graduation ceremony is held at the school in the morning which family members are invited to attend. At this ceremony, students will receive their Graduation Certificate. A morning tea is held after this and then students will spend the rest of the day at Oasis. Students will be invited to this event and the invitation is dependent upon appropriate behavior, attendance, Good standing and work completion in class. There is a cost for this event to cover the charge for morning tea and to attend Oasis. This will be set once details have been arranged. The cost in previous years has been around \$20 per student.

Please feel free to contact us if you have any questions.

Kind regards

Miss Horomia
