

proud history ... great future

100 Days of School

Dear families,

We hope you have all had a lovely holiday!

This Friday, the 22nd of July, is our 100th day of school! For our celebrations, Bottlebrush and Sandalwood students will be participating in a range of hundred-themed activities.

To add to the fun, we are encouraging students to dress up like a 100-year-old for the day. In class, we will be discussing what they would look like, what will be their favourite food, where they would live, and what kind of job they would have at that age.

We thank you for your participation in what will be a fantastic day.

Kind regards,

Ugyen Dorji and Sarah Simpson
