

proud history ... great future

Introductory Letter

Dear Parents/Carers

Hi everyone, my name is Indya Ralph and I am joining Room 1 for Term 3 to complete my final Practicum Placement. I am in my final year of my Bachelor of Education degree from Notre Dame University.

As a student teacher I will be spending time observing the lessons and class routine for the first few weeks of the term, then I will gradually take on all responsibilities of the classroom teacher. Prior to undertaking my practicum placement at Boulder Primary School, I have also completed placements at Secret Harbour Primary School and Mother Teresa Primary School and have spent Semester 1 of this year working as a Relief Teacher.

You might have already seen me around the class during Week 1. I am always up for a chat in the morning and after school if you have anything you would like me to know about your children, whether that be their likes and dislikes or even what Zone they are in that day.

I am very excited to be a part of the Boulder Primary community and I am looking forward to learning from Miss Callow and getting to know your lovely children.

Kind Regards,

Indya Ralph
Pre-Service Teacher
