

proud history ... great future

Swimming

Dear Parents,

The Department of Education organises our swimming lessons, and currently it is difficult to source swimming teachers. To enable Boulder Primary School students to participate in Swimming program this year three swimming teachers have been flown from Perth.

As you would be aware swimming begins this Monday, the 12th of September. Due to the number of swimming teachers and student numbers we have had to adjust the timetable; it is as follows:

Lesson Start Time	Classes
10.50	Rooms 2 and 15
12.00	Rooms 8, 9 and 14
12.45	Sandalwood, Rooms 7 and 13
1.30	Bottlebrush and Room 1

Students need to bring a plastic bag with:

- A change of clothes
- Towel
- Thongs
- Goggles
- Asthma puffer, if required

Please ensure your child's name is on every item. Students are required to come to school in their full school uniform, including covered shoes.

If you have any other questions, please speak to your child's teacher.

Kind Regards,

Ash Ferguson
Deputy Principal
