

proud history ... great future

Sandalwood and Bottlebrush - Concert

Dear Families,

After a long and exciting year, it is finally nearing the end!

We have had the pleasure of teaching all of your children this year, and to help celebrate such a wonderful time, we are hoping you join us on Thursday the 8th of December at our end of year concert.

Sandalwood and Bottlebrush students have been working hard to prepare a performance for you all to see. To help us with this, we are asking students come to the concert wearing black bottoms and a red shirt. Each student has a valuable part, so we hope you can all make it.

The performances start at 6:00 pm, and we are asking students arrive 15 minutes early. The P7C will be selling food from 5.00pm, we would be much appreciative if you could support them.

We will see you there!

Kind regards,

Ugyen Dorji (Bottlebrush teacher) & Sarah Simpson (Sandalwood teacher)
